ACCOUNTANT'S COMPILATION REPORT

To the Board of Directors
Hopkins Co.-Madisonville Public Library
Madisonville, Kentucky

Management is responsible for the accompanying financial statements of the General Fund of the Hopkins Co.-Madisonville Public Library (an "interlocal government" entity), which comprise the Balance Sheet – Cash Basis as of April 30, 2022, and the related Statement of Revenues and Expenses – Cash Basis for the one month and ten months then ended, and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in these financial statements, they might influence the user's conclusions about the Library's financial position, revenues and expenses. Accordingly, these financial statements are not designed for those who are not informed about such matters.

The supplementary information contained in Schedules 1 through 2 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. We have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.

The accompanying annual budget for the General Fund of the Hopkins Co.-Madisonville Public Library for the year ending June 30, 2022, has not been compiled or examined by us, and accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on it.

Management has elected to omit the summaries of significant assumptions and accounting policies required under established guidelines for presentation of prospective financial statements. If the omitted summaries were included in the budgeted information, they might influence the user's conclusions about the Library's budgeted information. Accordingly, this budgeted information is not designed for those who are not informed about such matters.

Management has not presented the management's discussion and analysis information that the Governmental Accounting Standards Board had determined is required to supplement although not required to be a part of the basic financial statements.

We are not independent with respect to Hopkins Co.-Madisonville Public Library.
